IMORTANT:

Review the information reflected in birth certificate and School Registry (SF 1) and compare with the information of learner as registered in LIS by clicking the LRN.

To resolve issues pertaining to Multiple Enrollment, the determining factor is the 1st day of attendance in school of the learner. In what school the learner attended classes as of June 6, 2014?

By viewing the enrolment history, we can notice that another school is also claiming learner's enrolment by declaring June 2, 2014 as the date of 1st appearance in School 2. To determine the rightful owner, validate the SF 2 for the month of June and check the actual attendance of Learner as certified correct by the class adviser.
