

ENHANCED BASIC EDUCATION INFORMATION SYSTEM (EBEIS) USER MANUAL

SCHOOL IDENTIFICATION NUMBER

The **School Identification (ID) Number** is a unique and permanent six-digit number assigned to any educational institution offering basic education in the Philippines.

To acquire a School ID, the institution must offer Kindergarten, Elementary, Junior High School, Senior High School, and/or a combination of these education levels.

The school must also secure approval a permit to operate from the Regional Office, and be:

- A DepEd-managed school (with predefined plantilla positions);
- Operated by a State University or College (SUC) or a Local University or College (LUC);
- Managed by a government agency other than DepEd (for example: DOST, NCCA, or LGU, among others); or
- A private education institution registered under Philippine corporation laws.

The School ID follows this format:

For example:

158452 **425466** **604531**

Figure 1: School ID Format

MUST-KNOW

- Every school in the basic education system can possess **only one PERMANENT and PERPETUAL School ID**.
- The School ID must be conspicuously displayed in plain sight across school facilities and in all school documents.
- Unauthorized or fraudulent issuance of School ID is **STRICTLY PROHIBITED**.

ADD A SCHOOL PROFILE

As soon as a new school becomes operational, you can create its profile and register it in the EBEIS.

NEED TO KNOW

- Only the Regional Office (RO) can enlist and encode **new** school profiles.
- The school and the Schools Division Office (SDO) can edit the **existing** or **newly created** school profile once the region finishes creating the profile.
- If the school received a School ID from the previous school year **but failed to create their school profile**, they must request for a new School ID from their respective RO.
 - The school must possess either a recognition or a permit to operate **for the current school year** to receive a new School ID.
 - The RO processes the request; once done, the school shall use the new School ID and disregard the old one.

You can add the following school types in the EBEIS:

- **Public integrated schools** (offering both elementary and secondary levels including Senior High School);
- **Elementary schools** (public, private, and SUC/LUC, offering Kinder to Grade 6); and
- **Secondary schools** (public, private, and SUC/LUC, offering Junior High School, Senior High School, or both).

MUST-KNOW

- Schools **SHOULD NOT** contact the Central Office (CO) directly to add or edit their profiles in the EBEIS.
- SDOs **MUST NOT** refer any school directly to the CO to request modifications in EBEIS profiles.

To start creating a school profile and request for a School ID, log in to the EBEIS using the **Single Sign-On (SSO)** facility as the RO system administrator.

SENIOR HIGH SCHOOL PROGRAM OFFERINGS

As part of updating Senior High Schools' (SHS) profiles, the Regional Office (RO) needs to update approved SHS program offerings for each school offering SHS.

The flowcharts below highlight the SHS approval process for SHS program offerings within the schools, divisions, and regions.

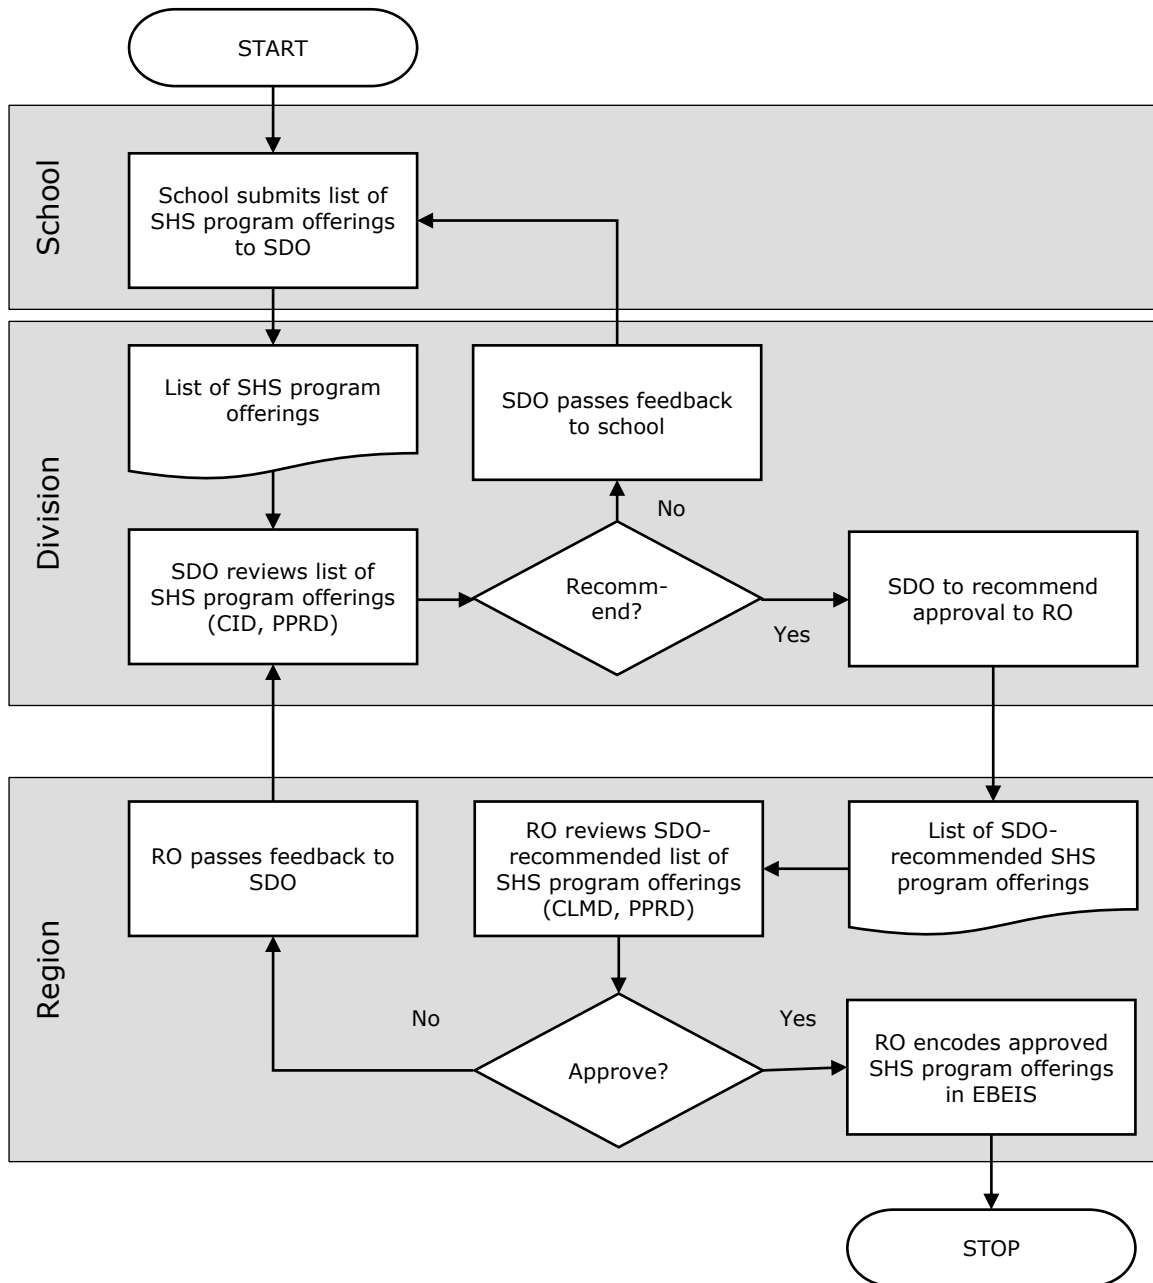

Figure 13: SHS Program Offering: Process of Adding SHS Program Offerings for Existing Schools

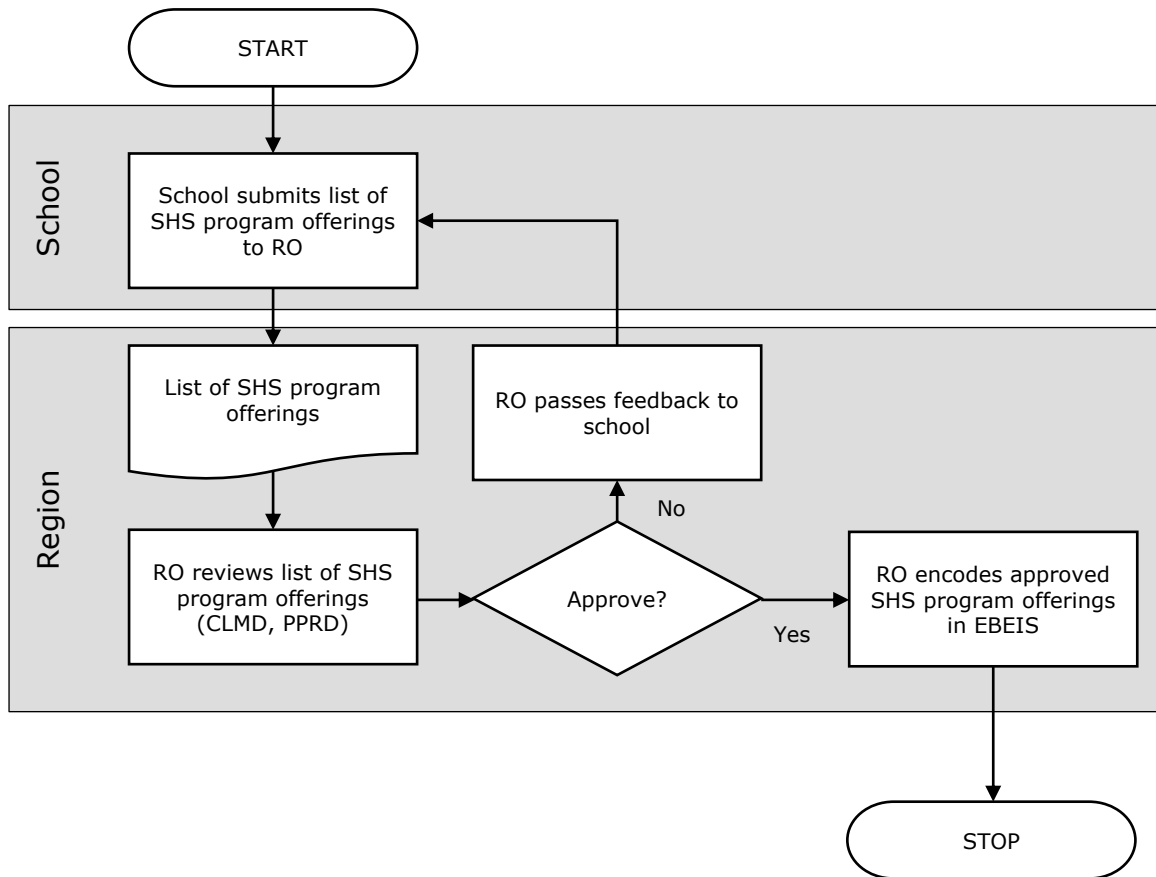

Figure 14: SHS Program Offering: Process of Adding SHS Program Offerings for New Schools

MUST-KNOW

- Only the RO can add, update, and delete SHS program offerings.
- Schools and SDOs can **no longer** modify SHS program offerings
- Schools and SDOs **SHOULD NOT** contact the CO directly to request for modification of SHS program offerings.
- SDOs and ROs **MUST NOT** refer any school directly to the CO for modification of SHS program offerings.

ADD OR DELETE SHS PROGRAM OFFERINGS

As soon as you have reviewed and approved program offerings from an existing school (with the SDO's recommendation) or from a new school (right after creating their profile), you can add SHS program offerings associated with that school.

The offerings you add will reflect in the school's LIS SHS profile, and they will be able to create classes offering the program you have added for them.

To start adding, editing, and deleting SHS program offerings, log in to the EBEIS using the **Single Sign-On (SSO)** facility as the RO system administrator.
