ADVISORY

Quick Count Facility for School Year 2023-2024 is now open for encoding.

The Quick Count Facility in the Learner Information System enables the Department of Education to monitor enrollment updates in our schools for reporting to the different offices across all governance levels and stakeholders.

Hence, schools are advised to encode their Quick Count Enrollment Data for School Year 2023-2024 in the Learner Information System (LIS) based on the number of enrolled learners. Schools will only encode the total number of learners by grade level and allowed to update the data daily if there are changes.

The Policy, Planning, and Research Division (PPRD) of the Regional Offices (ROs) and School Governance Operations Division-Planning and Research Unit (SGOD-PRU) shall jointly monitor and ensure that schools encode their data in the system. Schools with difficulties in encoding the data shall be given appropriate technical assistance.

Thank you.
